A Division of M-C Industries, Inc.
Powerful Promotional Products

Sunflower Marketing is a promotional products manufacturer and distributor with complete order fulfillment.

Sunflower Marketing in Geneva, NE is a division of M-C Industries, Inc. with corporate headquarters in Topeka, KS. The Geneva plant opened in June 1992 as a screen printing, sewing and product fulfillment facility. In 1996 embroidery capabilities were included in the production mix with the addition of two embroidery machines. In the past 19 years Sunflower Marketing has grown to include 5 automatic and 9 manual screen printing presses plus 42 sewing heads for embroidery. Sunflower Marketing is supported by a Graphic Arts and a Sales Department located in Topeka, KS at the corporate offices.
